The Committee on culture of the world association of United Cities and Local Governments (UCLG) is the platform of cities, organizations and networks that foster the relation between local cultural policies and the United Nations Sustainable Development Goals. It promotes the exchange of experiences and promotes mutual learning & it serves the messages of cities and local governments to the world.

This document has been developed by the Secretariat of the Committee on Culture of United Cities and Local Governments (UCLG) with a view to providing information and facilitating discussions on a relevant issue related to the work of the Committee on Culture. It is not a formal document of the Committee and invites readers to provide their views and other examples as it pursues the conversation.

The views presented in this document are not necessarily those of UCLG and do not commit the organization.
