### UCLG COMMITTEE ON CULTURE

Preparing two new publications

#### **CIRCULAR 27**

Dear members of UCLG Committee on culture,

We are pleased to announce the preparation of two new documents:

- A report celebrating the fifth anniversary of the Agenda 21 for culture. This report will include articles on local cultural policies of cities and local governments, as well as articles of researchers, managers and experts.
- A report on the relation between Millennium Development Goals and local cultural policies.

Should you wish to be involved in the preparation of these reports, please contact us.

Yours sincerely,

**The UCLG World Secretariat**  
on behalf of the Culture Committee
